

A hand-drawn illustration of a person's head and shoulders. The head is large and circular, with a simple face featuring two large, dark, almond-shaped eyes with vertical pupils, a small curved nose, and a wide, open-mouthed smile. A single, thin-lined cloud-like shape is positioned to the left of the head. A speech bubble originates from the mouth area, drawn with a thick red outline. Inside the bubble, the word "Pandas" is written in a cursive font at the bottom right. To the left of "Pandas", the word "Sind" is written. At the top of the bubble, the word "Tiere" is written, and to its right, the word "meine lieblings" is written.
